Red Pontiac Seed Potatoes

GROWING INSTRUCTIONS:

- Cut potatoes into egg-sized pieces with at least 2 eyes/buds.
 - Allow to air-dry and callus over.
 - Plant in furrows at least 4" deep.
- Cover with mulch to 7", forming a mound.
 - Best planted before St. Patrick's Day.

Very easy to grow . . . and fun . . .

It's like a treasure hunt when you find the buried treasure of new taters!
